

# 2015 Work Plan

## Roadway / Roadside TWG

### Focus Areas – Research

- We plan to continue the webinars this fall and spring and focus on getting presentations of completed research.

### Focus Areas - Workforce Development

- The NHI Maintenance Leadership Academy will be available again this year.
- Support activities No Boundaries pooled fund – Implementing Maintenance Innovations from State to State.

### Focus Areas - Performance Measures

- Begin the discussion of the need for consistent units of measurement in MQA programs.

### Focus Areas - Environment

- Explore the maintenance of Best Management Practices for Storm Water and Silt detention.
