SEBPP Research

- Members monitor and participate in various NCHRP studies and projects.
- Support the AASHTO Committee on Maintenance Bridge Technical Working Group with research ideas and statements.
- Participate in the FHWA Bridge Preservation Expert Task Group; David Miller is our representative.

Working Groups

- National Deck
- National BMS
- National Coatings
- National Working Group for Construction Inspection of Bridge Preservation Treatments (renaming Preservation Construction Quality)
- Deck Chloride Levels
- Outreach to Local Agencies
- Social Media
- Industry Technology Demonstration Program (ITD)

Monthly Meetings

- 15-minute technical presentation or roundtable discussion to begin each meeting
- Expanded invite list and participation (typically 15 to 20 people on the calls)

SEBPP Future Meetings

- 2020 Hot Springs, AR
- 2021 North Carolina
- 2022 National Meeting

SEBPP 2018 Annual Meeting – Baton Rouge, LA

- Busting at the Seams!
- 265 Attendees
- Creating some logistical issues (Meeting Rooms, New Member Lunch, Vendor Space)
- Comments indicated that participants liked presentations where agencies talk about problems, or things that did not work, and how they worked through those issues.
- Missed round table discussions and peer exchanges.

Treasury

- SEBPP Treasury Balance: \$36k(ish)
- About \$8k in the black in Baton Rouge
- Board considering best use of funding for travel
 - Now sending two officers to MaC
 - Participation in other regional partnership annual meetings
- 13 of 13 on Voluntary Contributions
